Invitation to the
37th

on 2nd November 2019 in Lucerne

Lucerne - a small town with a long underwater rugby tradition: For the 37th time, this town in the center of Switzerland invites for Switzerland's most traditional Underwater Rugby tournament. We look forward to welcoming as many of you as possible.

To reach a well-balanced level of play, we ask the strong teams to let their newcomers play. The tournament is perfect for new teams ready to challenge themselves in medium-level matches. We recommend team with a maximum of 2 players at the level of German national league (Bundesliga).

The Wasserturm Cup of this year takes place 1st – 3rd November 2019.
The tournament itself takes place on Saturday 2nd November 2019.

After the many positive feedbacks from last year, we will again prepare the highly praised 4-course dinner ourselves and serve it at a new location.
